THE SECOND SCHEDULE

GENERAL REGULATIONS.

I.—Academic Year.

1. An academic year shall in respect of any course of study or part thereof be such period of time as comprises the terms or other periods prescribed for work during one calendar year in relation thereto and the next ensuing periods prescribed for annual and supplementary examinations in relation thereto.

II.—Terms.

2. Except for the third and fourth years of the bachelor's degree course in the Faculty of Dentistry, and the fourth, fifth and sixth years of the bachelor's degree course in the Faculty of Medicine, there shall be three terms in a calendar year.

(i) The First Term shall begin on the tenth Monday of the year and shall end on the Saturday before the twenty-first Monday.

(ii) The Second Term shall begin on the twenty-third Monday of the year and shall end on the Saturday before the thirty-second Monday.

(iii) The Third Term shall begin on the thirty-fifth Monday of the year and shall end on the Wednesday after the forty-third Monday.

3. Note.—For the fourth, fifth and sixth years of the Bachelor's Degree course in Medicine provisional arrangements are in force and no permanent provision as to terms has yet been made.

4. In the third and fourth years of the Bachelor's Degree course in the Faculty of Dentistry the work of the course shall begin on the first Tuesday of the year, and shall continue, in the case of the third year, until the beginning of the Annual Examination Period, and in the case of the fourth year until the Saturday immediately preceding Christmas Day.

III.—Examination Periods.

5. There shall be an Annual Examination Period beginning on the Friday after the forty-fourth Monday of the year, and a Supplementary and Final Honours Examination Period beginning on the sixth Monday of the year.

IV.—Examinations.

6. Examinations to be known as the Annual Examinations shall be held each year and, subject to the provisions

relating to deferred and special examinations, all candidates required to pass an examination in any subject other than a Final Honours Examination shall sit for the annual examination in that subject. Unless the Senate approves of any annual examination being held at some other time all such examinations shall be held during the Annual Examination Period, provided, however, that the annual examinations in the subjects of the fourth year of the course in Dentistry shall begin on the third Monday of the year.

7. Subject to the provisions of any other regulations, Final Honours Examinations and examinations for higher degrees shall be held during the Supplementary and Final Honours Examination Period; except that the Final Honours Examination for the degree of Bachelor of Science with Honours, other than the examination in Mathematics, shall be held during the Annual Examination Period, and, with the approval of the Faculty or Board concerned, part of any Final Honours Examination may be held during the Annual Examination Period.

8. (i) In this and other regulations the term Supplementary Examination means an examination given to a candidate after he has in the same academic year sat for and failed to pass the annual examination in the subject in question.

(ii) In respect of courses in the Faculties of Arts and Commerce there shall be no supplementary examinations.

(iii) In respect of all other courses, subject to any special regulations dealing with the matter, the Faculty or Board concerned may allow a candidate to sit for a supplementary examination in any subject.

(iv) Supplementary examinations shall be held during the Supplementary Examination Period, except that in respect of the subjects of the fourth year of the course in Dentistry they shall be held at a time recommended by the Faculty of Dentistry and approved by the Senate, beginning as near as possible to the fourteenth Monday of the year.

(v) A candidate who has been given a deferred examination under the provisions of the Special War-time Statute and Regulations or of these regulations shall not be entitled to any further examination in the nature of a supplementary examination; but if circumstances of special hardship exist his case may be treated as if it fell within the provisions of regulation 9 (iii).

9. (i) In this and in other regulations the term Deferred Examination means an examination given to a candidate who has failed in the same academic year to sit for the annual examination in the subject in question,

(ii) If the Faculty or Board concerned is satisfied that a candidate will be or has been unable to sit for an annual examination prescribed in his case or that other good cause exists for deferring his examination, the Faculty or Board may, if it thinks fit, allow the candidate to sit for a deferred examination on such conditions as it may determine. Deferred examinations shall be held in conjunction with the supplementary examinations. An application for a deferred examination on the ground of disability will not be entertained unless made forthwith after the candidate's disability arose. Each application must be supported by evidence of the grounds on which the application is made, and the evidence must accompany the application or follow it within three days, and in any case must reach the Registrar before the Examiners' Meeting of the Faculty is held.

(iii) In any case not covered by the preceding or any other regulations relating to examinations, where the Faculty or Board concerned is satisfied that a candidate will be or was unable to sit or was handicapped by illness or otherwise when sitting for any examination, and that in the circumstances of the case a special examination should be allowed to the candidate, the Faculty or Board may make a recommendation accordingly to the Professorial Board and may at the same time recommend that a special fee be paid to the examiners concerned. Thereupon the Professorial Board may recommend such action in the matter as it thinks fit.

For the purpose of any regulation prescribing the time at which an examination must be passed a special examination shall be deemed to have been held at the time of the examination in place of which the special examination was granted.

V.—Enrolments.

10. (i) In this division of these regulations the term "course" means a group of subjects comprised in a prescribed year of study.

(ii) Persons desiring to pursue the studies connected with any course or subject shall enrol for such course or subject in the manner hereinafter prescribed.

(iii) Such persons shall apply for enrolment on forms provided for the purpose.

(iv) In the case of applicants other than those sitting for the Special Matriculation Examination, applications for enrolment in any year shall be lodged with the Registrar not later than the thirty-first day of January in that year. Where the applicant is sitting for a supplementary or Deferred Examination, his application shall be treated as a provisional

application for enrolment for the courses or subjects set out in the application and also for the courses or subjects taken by him in the preceding year the requirements for which are not completed by him at such Supplementary or Deferred Examination.

If an applicant sitting for a Supplementary or Deferred Examination does not immediately after receiving notice of the result of his examination make any further application, his application shall cease to be provisional, and, as the case may require, shall take effect as an application for enrolment for the courses or subjects therein specified or for the courses or subjects taken by him in the previous year for which also he was deemed to be provisionally enrolled. If the applicant desires to enrol for any other course or subject he shall as soon as possible lodge a further application specifying all the subjects for which he desires to be enrolled. In respect of any courses or subjects for which provisional application was not previously made or deemed to be made, the application may, but shall not necessarily, be treated as having been made before the thirty-first day of January.

(v) Persons sitting for the Special Matriculation Examination in any year who desire to enrol in that year shall, not later than the thirty-first day of January in that year, lodge with the Registrar the Provisional Enrolment Form provided for such persons. On being notified of his results in such examination he shall forthwith lodge with the Registrar an ordinary form of enrolment. If such form confirms the application or one of his alternative applications made in the Provisional Form previously lodged, the application for enrolment shall be deemed to have been made before the thirty-first day of January preceding.

(vi) An applicant shall be deemed to be enrolled as from the day on which notice of acceptance of his application was posted or otherwise sent to him.

11. An application for enrolment received during the month of February may be accepted, but only if good cause for the delay is shown ; and an applicant shall not be enrolled for any subject or for any course comprising that subject unless the number of students already enrolled or approved for enrolment for that subject and for courses comprising that subject is less than the maximum number of students for whom it has been possible to make provision in respect of that subject. In the case of applications received during the month of February absolute preference shall be given to persons who have served for at least six months in the Naval, Military, or Air Forces.

12. Each day and evening student shall interview the Dean of his Faculty in regard to his work for the year not later than the Saturday immediately preceding the first day of the First Term.

13. Late enrolments may be accepted at the discretion of the Dean of the Faculty concerned, up to but not after the Saturday in the second week of the First Term. An additional fee of 10s. must be paid in each case where a late enrolment is accepted.

14. With the approval of the Dean of his Faculty, a student may add to the number of subjects selected by him for the year, or substitute one subject for another, at any time up to but not after the Saturday in the second week of the First Term. He may cancel his enrolment in any subject at any time during the year.

15. The Senate, in its absolute discretion, may refuse to enrol any student who fails to satisfy the Senate by documentary evidence or otherwise as it may decide, that he is of good character.

VI.—Enrolment Exemptions.

16. A candidate who enrolled for a subject, but failed to pass the concluding examination therein may, if the Faculty approves, be exempted from enrolment in the subject the following year. He may proceed to examination again in the subject at the next Annual Examination upon submitting an entry and paying a fee corresponding to the prescribed Supplementary Examination fee.

VII.—Fees for Enrolments.

17. All fees for enrolments shall be paid in advance either annually in one sum or in three terminal instalments. Annual and first-term payments must be made not later than the ninth Saturday of the calendar year. When not paid in advance at the beginning of the year, fees for the second term must be paid not later than the twenty-second Saturday of the calendar year, and the fees for the third term must be paid, together with the entrance fee for the Annual Examination, on or before the 31st August.

18. Any student who does not pay the prescribed fees in accordance with the provisions of Regulation 17 shall be required to pay, in addition, a late fee of 10s. If payment is not made within two weeks after the due date, the late fee shall be increased to £1.

19. A student shall not be entitled to have his name entered on the roll of any class in any subject until he has paid the prescribed fees therefor.

VIII.—Books and Other Equipment.

20. Undergraduates and non-matriculated students attending courses shall provide themselves with such books, instruments, and other equipment as from time to time may be directed by the Faculty concerned.

22. Each candidate for the Honours and Annual Examinations in November, or for the Honours Examination in February, or for examination for admission to Higher Degrees, shall lodge his entry, in the prescribed form, with the Registrar on or before the 31st August preceding such examination. He shall at the same time submit the duplicate deposit slip covering his examination fee and his fees for the Third Term.

23. Each candidate who fails at the Annual Examination in November, and who is entitled to sit for a Supplementary Examination in February, shall lodge with the Registrar, not later than the 10th December preceding, his entry for the Supplementary Examination together with duplicate deposit slip for the prescribed Supplementary Examination fee.

24. No examination entry shall be accepted until the prescribed fees have been paid.

25. A late entry may be accepted from a candidate at any time within seven days after the prescribed date, upon payment by the candidate of a late fee of 10s. in addition to the usual fee.

26. The time-table for the Annual and Honour Examinations in November shall be prepared and posted on the Notice Board of the University not later than the 30th September.

27. The time-table for the Supplementary and Honour Examinations in February shall be prepared and posted on the Notice Board of the University not later than the 31st January.

XI.—Examination Results.

28. Lists of candidates in the several subjects shall be prepared by the Registrar and furnished to the Examiners concerned. The results of the candidates shall be entered by the Examiners in these lists.

29. The examination lists as presented by the Examiner shall be placed before the Board of Examiners of the Faculty concerned. The Board shall prepare a schedule containing the complete results ; and this schedule, after verification by the Dean, shall be submitted for the confirmation of the Faculty. The results shall thereafter be furnished to the individual students ; shall be laid before the Senate at its next meeting ; and shall be duly entered in the University records.

XII.—Withdrawal of Entries.

30. Candidates who are prevented by illness or other exceptional causes from presenting themselves for examination must send written notice to the Registrar so as to reach him not less than three days before the examination. In each such case, the entrance fee less 25 per cent. will be refunded.

The subject chosen shall require the approval of the Faculty.

(b) Subject to the provisions of paragraph (c) below, a candidate for a degree, diploma, certificate or other award who is required to present a thesis, dissertation, report or other similar composition shall lodge at least four bound printed or typewritten copies of it with the Registrar not later than the eighth Monday of the year in which the award is sought.

Of the copies thus lodged three shall be retained by the University as its own property, and any other copy or copies shall within a reasonable time be returned to the candidate lodging them. Of the three copies retained by the University two shall be placed in the Main Library, one to be kept there permanently, and the third shall be at the disposition of the head of the department concerned.

(c) In any case affected by some other regulation inconsistent with this regulation the provisions of this regulation shall apply in so far as they are not inconsistent with such other regulation.

XV.—Application for Admission to Degrees.

33. Each student desiring to be admitted to a Bachelor's Degree shall make application in the prescribed form and pay the prescribed fee at least fourteen days before the date fixed for the conferring of degrees.

34. A graduate desiring to proceed to a higher degree, who is qualified to do so, shall make application in the prescribed form and pay the prescribed fee at least fourteen days before the date fixed for the conferring of degrees.

XVI.—Non-Matriculated Students.

35. Any person who is not less than 16 years of age, and who in the opinion of the Dean of the Faculty concerned is competent to undertake the work, may be permitted to enrol for the course in any subject, upon complying with the usual enrolment conditions and paying the prescribed fees. Upon approval by the Faculty concerned, special enrolments for parts of courses may be granted at fees approved by the Senate.

36. (i) Non-matriculated students enrolled for Diploma courses in Architecture, Commerce, Physiotherapy, or Physical Education shall have a status within the University entitling them to the same benefits, other than qualification to proceed to a degree, and rendering them subject to the same discipline and obligations, including the making of a declaration in the form set out in Chapter IX. of the Statutes, as apply in the case of undergraduate members of the University.

(ii) Non-matriculated students pursuing a course leading to the Diploma in Mechanical and Electrical Engineering who have completed two years of the course and are enrolled as evening students in the Faculty of Engineering shall have the same status, with the same rights and liabilities, as the abovementioned students.

(iii) The Registrar shall keep a roll in which shall be entered the names of students enrolled for the diploma courses specified in this regulation who have made a declaration of obedience and submission to the Statutes and authorities of the University.

(iv) Any other non-matriculated persons who have enrolled as students within the University shall be subject to the statutes and regulations relating to discipline to the same extent as matriculated students are subject thereto.

XVII.—Attendance at Lectures.

37. (a) Students compelled to be absent from more than one lecture shall as soon as practicable notify the Professor or Lecturer concerned.

(b) If the Faculty concerned declares that in its opinion a student's attendance at lectures or performance of laboratory or field work or other prescribed work in any subject is unsatisfactory the student shall thereupon become ineligible to sit for the examination in that subject.

(c) The transfer to external status shall not generally be approved if, before applying, the student has been absent from more than three lectures.

Any student who, on account of accident or illness, wishes to claim any consideration—

1. For continued absence from lectures, or
2. For a supplementary, deferred, or special examination, must furnish the above certificate duly signed by the legally qualified medical practitioner who has attended him.

Students are notified that this medical certificate, in order to support either of the above claims, must be sent to the Registrar as soon as possible after the occurrence of the accident or advent of the illness, or, in the case of (3) above, must reach the Registrar as soon as possible after the examination concerned, and in time to be brought before the meeting of examiners of the Faculty.

It must be noted, however, that only in special circumstances, approved by the Faculty concerned, can consideration be given to applications referred to in clause 3 above which are submitted after the student has sat for his examination.

XIX.—Discipline.

39. Any conduct of a student which involves disobedience to a reasonable direction by a superior officer or a member of the teaching staff of the University, or which is detrimental to the interests of the University or of its members as such or any student as such, or which is disorderly or unduly interferes with the comfort or convenience of any person within the precincts of any University property, or which otherwise is unbecoming to a University student, shall be deemed to be a breach of discipline.

40. (1) The Senate, in the exercise of the power conferred upon it by the Statutes to impose penalties for breach of discipline, may suspend a student from attendance at the University for such period as it may determine, or may exclude the student permanently from the University, or may impose a fine upon him, or may impose on him any other penalty which it deems appropriate to the case.

(2) The Senate may confer on any committee appointed by it for the purpose or on any officer or other authority within the University all or any of its powers to deal with breaches of discipline.

(3) In determining whether a student has committed a breach of discipline the Senate may hear or refrain from hearing the student and otherwise follow such procedure as it thinks fit.

41. If the President of the Professorial Board receives notice that a student has committed a breach of discipline he may, after hearing the student and making such other inquiry as he thinks fit (whether or not a penalty has already been imposed under Regulation 42), either—

(a) impose a fine on the student not exceeding five pounds ; or

(b) refer the matter to the Senate.

42. If any dean, professor, or head of a department receives notice that a student has committed a breach of discipline, he may suspend the student from attendance at classes within his faculty or department, as the case may be, for a period not exceeding one week, and, after hearing the student and making such other inquiry as he thinks fit, either—

(a) impose a fine on the student not exceeding one pound ; or

(b) refer the matter to the President of the Professorial Board.

43. Any member of the teaching staff may exclude from his classes for a period not exceeding one week any student who commits a breach of discipline affecting the holding of such classes, and shall as soon as possible report the matter to the head of his department, who thereupon may exercise such power under Regulation 42 as he thinks fit.

44. Any fine imposed in accordance with these Regulations shall be a debt due from the student to the University and shall be payable immediately. So long as a fine imposed on him remains unpaid a student shall not have any rights as such against the University.

45. Any student on whom a penalty has been imposed under paragraphs 37 (b), 41, 42, or 48 of these Regulations may appeal to the Senate against the decision, whereupon the Senate may deal with the matter as if it had come before the Senate originally.

46. If by way of punishment a student is suspended from attendance at the University or is permanently excluded from it, he shall not thereby become entitled to be repaid fees paid by him or to be relieved from payment of any fees already payable by him.

47. Subject to the provision of Regulation 45 the decision of the Senate or of any other competent authority or officer of the University that a breach of discipline has been committed shall be final and conclusive as against the student affected.

48. For any breach of discipline in the Library, the Librarian, or officer in charge of the Library, may exclude the offender from the Library for not more than twenty-four hours, and shall as soon as possible report the matter to the Chairman of the Library Committee, who may exercise in relation to the matter the same powers as are conferred on the President of the Professorial Board by Regulation 41.

XX.—General.

49. Nothing in these Regulations contained shall be construed to prevent any Faculty from holding any examination on any subject or subjects at such time as such Faculty may think fit.

THE TENTH SCHEDULE.

LIBRARY REGULATIONS.

1. The Library of the University is divided into (a) the General Library and (b) Departmental Libraries.

2. The Libraries are for the use of all professors, lecturers, graduates, undergraduates, and superior officers of the University.

3. The Libraries shall be open during hours to be determined from time to time, and particulars thereof shall be posted up on the notice boards.

4. Books in the Departmental Libraries may be consulted or borrowed in accordance with regulations prescribed by the heads of the departments concerned and approved by the Library Committee.

5. Books may be borrowed, without charge or subscription, by professors, lecturers, and superior officers of the University, and by graduates and undergraduates attending the regular courses; provided that, in the discretion of the Librarian, in consultation with the head of the department concerned, certain books and periodicals may be noted as "Not to be borrowed." External students shall not have the right to borrow books from the Library.

6. The following are authorised to give out books—namely, (a) in the General Library, the Librarian or his authorised deputy; and (b) in a Departmental Library, the head of the department or his authorised deputy.

7. Borrowers shall fill in and sign a borrowing slip for each book required and hand it to the proper authority specified in Regulation 6. When books are returned the borrower is responsible for seeing that the borrowing slip is cancelled. If a book is already out when required the signing of a borrowing slip shall establish a prior claim for that book when it is returned.

8. Except for permission given at the time of borrowing, professors and lecturers may not have more than eight volumes out of the Library at one time. Other borrowers may not have more than three volumes at one time except as provided in Regulation 10.

9. No volume shall be kept for more than seven days unless special permission is given at the time of borrowing. Books for which an extension of time has been granted may, notwithstanding such permission, be recalled at any time after seven days, and must then be returned at once.

10. During the long vacation borrowers resident at a distance may take six volumes away with them on complying with Regulation 7. They must return such volumes carefully packed by post or passenger train at their own expense within a period to be fixed by the Librarian, but in no case to exceed twenty-eight days, and may receive another parcel of six volumes from the Library at their own expense. If the same volume is required by more than one borrower, the borrower having senior status in the University shall have priority.

11. All books borrowed shall be returned to the Library at least one week before the beginning of the Annual Examinations, and at other times upon one week's notice being given. All books borrowed during the long vacation shall be returned at least one week before the beginning of the Supplementary Examinations.

12. Any person borrowing a book shall be held responsible for its return uninjured to the Library, and shall be required to replace a lost volume, or the series, as the case may be, or pay for repairing any damage which may have occurred. No marks of any kind may be made in the Library books or periodicals.

13. Fines may be imposed in accordance with the following rules :—

- (a) For any volume kept longer than the time allowed, a fine of one shilling a week or portion of a week shall be incurred by the borrower.
- (b) A borrower failing to comply with Regulation 11 shall incur a fine of five shillings in respect of each volume held by him beyond the prescribed date, in addition to the fine incurred under Rule (a) above.
- (c) A list of fines imposed shall be posted in the Library, and notice thereof sent to the person incurring the fine and to the Registrar.
- (d) Fines must be paid to the Registrar within seven days of the date of posting, and until they are paid the offender will not be allowed to make use of the Library.

14. Admittance to the Library and the use of its books are conditional upon the strict observance of these regulations.

15. Current unbound numbers of periodicals shall in no circumstances be allowed out of the Library.

16. Any special books in Departmental Libraries which are unsuitable for borrowing shall be marked accordingly.

17. Periodicals which are obtained by gift or exchange, or by purchase from general funds, and which embody articles concerning more than one department, shall be housed in the General Library of the University.

Note.—In accordance with the established practice, the heads of departments shall be consulted in cases of doubt.

The Degree of Doctor of Philosophy.

1. A person seeking the Degree of Doctor of Philosophy shall apply to the Professorial Board, through the Registrar, to be admitted as a candidate for the Degree, and shall submit with his application a proposal of a course of advanced study and research to be pursued by him for the purpose of obtaining the Degree.

2. The Board shall thereupon determine the Faculty and the Department thereof in which the proposed course of study should be pursued, and, if it approves the proposed course of study, and if the applicant is qualified in accordance with the next regulation to be a candidate for the Degree, may grant his application.

3. A candidate for the Degree shall—

(i) (a) if the appropriate Faculty is a Faculty other than the Faculties of Dentistry, Medicine, and Veterinary Science, hold a Master's Degree of that Faculty or a Bachelor's Degree with First or Second Class Honours of that Faculty, or have been admitted *ad eundem statum* ; or

(b) if the appropriate Faculty is the Faculty of Dentistry or Medicine or Veterinary Science, hold a Bachelor's Degree with First or Second Class Honours of that Faculty, or have been admitted *ad eundem statum*, or, being the holder of such Degree without First or Second Class Honours or having been admitted *ad eundem statum*, have pursued for at least one year a course of research satisfactory to the Professorial Board ;

(ii) satisfy the Board by appropriate evidence that he has adequate training and ability to pursue the course of study and research proposed by him.

4. Subject to regulation 5, a candidate shall, after being admitted as a candidate, pursue within the University for at least two years a course of advanced study and research

approved by the Board under such supervision as the Board may prescribe. With the permission of the Board the candidate may pursue his course for a period of not more than one year at another institution under conditions approved by the Board, provided he pursues it for at least two years within the University.

A candidate may be required to meet the cost of any special equipment needed for his research work.

5. A candidate who holds a Master's Degree or has been admitted *ad eundem statum* may be permitted by the Board to pursue such part of his research work as the Board approves otherwise than by attendance at the University, but under the supervision of the University.

6. A candidate shall pursue the course as a full-time student, unless, being a University teacher, he is permitted by the Board to pursue it as a part-time student. In such case he shall pursue the course, if he is a part-time teacher, for at least three years, and if he is a full-time teacher, for at least four years.

7. A candidate shall attend such lectures and seminars and perform such practical and other work as the Board may prescribe.

8. Within one year of completing his course a candidate shall present a thesis embodying the results of his research.

He shall state, generally in the preface and specifically in the notes to his thesis, in the form prescribed by the Royal Society of London for its Publications, the sources from which his information is derived, the extent to which he has made use of the work of others, and the portions of the work he claims as original.

He may also submit any work he has published, whether or not it relates to the subject of his thesis.

He shall lodge with the Registrar four bound copies of the thesis and four copies of any published work submitted.

9. The thesis shall not be or include a work or substantial part thereof submitted for another degree conferred on him by this or any other University.

10. The thesis and any published work submitted by the candidate shall be submitted to three examiners appointed by the Board, one of whom shall be an external examiner.

Each examiner shall make a separate report on the merit of the thesis and other work submitted to him.

After considering the examiners' reports the Board may require the candidate to submit to such written, oral, or practical examinations as it considers desirable, and thereafter shall make such recommendation to the Senate as it considers proper.

11. The Board may make rules incidental to the carrying out of these regulations, and in so far as they apply to him a candidate shall fulfil the requirements of such rules.
